

January 2018

Swimmer of the month

Holly Jones

At the moment I am swimming all the mornings sessions that are available at New Horizons. I also row for Trentham boat club and I train with them on Monday and Thursday evening 4pm until 6pm and Sunday morning 8am until 1pm. Also I attend the 1 hour land training session at Biddulph leisure centre on a Saturday morning.

I am currently studying at St Margaret Ward trinity sixth form college. Where I am working hard to complete my A-levels in art, product design and English literature.

This year for swimming my goal is to work towards achieving a regional time.
