

November 2018

Swimmer of the month

Holly Jones

I have been swimming at Biddulph swimming club now for 8 years and I still very much enjoy it. I swim all the morning session and I also row for Trentham boat club 2-3 times a week.

I am currently studying art and design at Newcastle College.

I work as a swimming teacher at Ormaston and Biddulph leisure centre which I really enjoy, teaching all abilities of children to swim. I also have a life guarding qualification. I am still training hard as I would like to swim at regionals.
